CONGRATULATORY MESSAGE FROM CEO AIA FA

Mr Damien Tan

Congratulations to our 2022 winners and champions!

In 2022, AIA Singapore delivered a resilient business performance with growth following the lifting of pandemic-related restrictions that affected the first half of the year, as we navigated through the unprecedented market environment.

My heartfelt thanks to you for continually endeavouring to do better every day by putting customers at the heart of all you do. Your commitment and resilience in providing the best service experiences while journeying alongside customers during these trying times are highly inspirational.

AIA FA continues to be one of the leading FA in Singapore. Since 2017, we have grown from strength to strength and expanded our distribution network with more than 1,000 well-qualified financial consultants.

Our focus remains on establishing an even stronger foothold in the industry, where quality recruitment is critical to our goal of growing our FA workforce to 2,000 professional financial consultants by end of this fiscal year.

With your contributions, AIA FA has achieved a record of 248 MDRT qualifiers, giving us 6% growth from the previous year. This includes 11 Court-of-Table and 2 Top-of-Table qualifiers. By no means an easy feat, this achievement is a true testament that we have the best and finest people in AIA FA as well as across the life insurance industry in Singapore.

Committed to empowering you and our new recruits to excel in the business, we will continually drive in Technology, Digital and Analytics (TDA) by enhancing our digital platform capabilities to enable you and your team with innovative tools to deliver a seamless digital experience for customers located onshore and offshore.

Besides this, we will also constantly build on our comprehensive range of products by developing compelling solutions to help you meet the evolving need of customers, while also offering you even more support with ample opportunities for you to tap into lead generation to grow your clientele.

I would like to thank you all again for your dedication at AIA FA and for journeying with our policyholders every step of the way through good and challenging times.

I am confident that in 2023, as one AIA FA Team, we will go above and beyond to push past limits to achieve even more. Let us work together to positively impact more lives to help them achieve their financial aspirations and grow our existing pool of talented financial consultants so that we can enable millions of people to live Healthier, Longer, Better Lives.

CONGRATULATIONS

TOP FINANCIAL CONSULTANT 2022

Lau Zhi Zheng

TERENCE LIM-TAN MENG LI ORGANISATION
ADVISORS ALLIANCE GROUP

For Zhi Zheng, the utmost trust and faith that clients place in his advice are what keeps him motivated as a financial consultant and he is thankful for how much more fulfilled he is since making the career change in November 2021. Many of his friends and family have also commented on how much happier he has been since he began his financial advisory journey.

Although relatively new to the industry, Zhi Zheng has garnered impressive accolades under his belt, with the Court of the Table 2023 and the Silver International Dragon Award 2023 being his proudest awards and titles to date. An advocate of always acting in the best interest of others before himself, he appreciates how being a financial consultant helps toward his goal to positively impact the lives of those he crosses paths with.

Zhi Zheng hopes to help others understand the value of money and that it is merely a tool which may take you wherever you wish to, but it could never replace you as the driver - and this is where he hopes to help others learn that ultimately, it is up to one's self to achieve your own goals.

CONGRATULATIONS

TOP ASSOCIATE DIRECTOR 2022

Lim Zheng Han Terence

TERENCE LIM-TAN MENG LI ORGANISATION
ADVISORS ALLIANCE GROUP

Terence decided upon agency building once he saw the positive impact and scalability he could achieve as a leader. Promoted to Director since 2021, He continues to be motivated in safeguarding the best interests of those around him and strives to provide a conducive environment for his associates to uncover and unleash their potential and help them remain adaptable to changes and find success.

Watching his team grow and achieve their goals, building better lives for themselves while caring for many more around them - for Terence, this ripple effect of positively impacting many lives is the most satisfying thing about being a leader.

A driven, committed and consistent leader, Terence views his consistent performance and numerous accolades and awards as belonging not only to his own hard work and effort but more in part from the contributions in the day-to-day work put in by his team.

"To serve others before me, and to care for those after." This is a professional ethos for Terence as a leader and in the year to come, he aspires to lead his team to scale greater heights and achieve new breakthroughs.

CONGRATULATIONS

TOP DIRECTOR 2022

Wong Wei Chong Wilfred

WILFRED WONG-KOH POO KWEE ORGANISATION
AWM GROUP

This marks the 2nd consecutive win of the Top Director title for Wilfred who attributes this continued success to the pursuit of growth and improvement both personally and professionally.

For Wilfred, success in the financial advisory industry is an infinite game and these consecutive wins serve as an affirmation of the constant progress of his team, as well as a reminder of what remains most important - consistent growth with a holistically balanced life.

A Director since 2020, Wilfred now impacts more than the lives of his clients by building the leaders of tomorrow. He devotes himself to unlocking the inner drivers of his associates and evaluates the efficacy of his leadership prowess in seeing his team make a mark in raising industry standards.

He believes that as a leader, it is important to walk the talk and seek to lead by example, setting the pace for the team. Though he is able to share with his associates how they may succeed through his own experiences, Wilfred must lead through action, working hard alongside his associates and helping them find success in this industry.

"Everything worthwhile is found uphill. Everything bad for us is found downhill. Commit to the uphill climb"

CONGRATULATIONS

TOP SENIOR DIRECTOR 2022

Yap Xin Horng

YAP XIN HORNG-KOH POO KWEE ORGANISATION
AWM GROUP

A diverse and versatile leader in the industry since becoming Director in 2020, Xin Horng derives career satisfaction from witnessing how anyone can thrive in the financial advisory industry no matter their background or past – it brings him comfort knowing that this is a career path that allows those who work hard to achieve the lives they want, while positively impacting those around them. He also believes the synergy created when working with like-minded individuals can improve the financial advisory landscape and alleviate the stigma that inhibits the progress of the industry.

Recruiting new associates is a heavy responsibility so Xin Horng constantly strives to provide a nurturing environment, allocating the right resources and training for his associates to help them grow personally and professionally. Good leaders must be equipped to be able to recognize talent, and to have groomed well-respected and high achievers in the agency is a mark of progress and acknowledgement of Xin Horng's leadership skills.

While a consistent top performer, 2023 marks a milestone in his career and Xin Horng continues to set new standards and goals for himself each year and aims to remain relevant, and competent and be able to continuously value add.

"A leader is defined by where he stands during controversial times. One can be effective but it is another to be honourable."

CONGRATULATIONS

TOP EXECUTIVE DIRECTOR 2022

Yap Soon Jin Sunny

SUNNY YAP ORGANISATION
ADVISORS ALLIANCE GROUP

Believing that his every action can change and impact lives, Sunny draws inspiration from the late Minister Mentor Lee Kuan Yew that finding professional success and wealth would never compare to, nor bring more satisfaction than, improving the lives of his fellow men.

He truly believes it is a privilege to be in the industry and authored Build With Purpose (团队共荣共赢的领导哲学) hoping to share the purpose, values and good practices of the industry.

Widely known as the founder of the Varsity Internship Program, he remains AIA FA's most productive Executive Director since 2017, and Top Executive Director since 2019. Leading the Advisors Alliance Group to be recognised as Singapore's first 100 International Dragon Awards Team, his numerous awards and accolades include being the first Singaporean to be conferred the highest recognition of both Imperial Crown and Laurel Crown awards in TOP 500 Chinese Insurance Agency (CIA 500) and the one and only double qualifier in 2017 and 2019 to 2022.

Finally, Sunny sits on many charitable organisations with projects worldwide to help the less privileged. He aspires to continue raising the social image of the financial industry and to positively impact lives always.

"Always be the best version of yourself and do your best. Make every day memorable! In this profession, you have no idea how things you do, can change lives forever."
